WHEREAS, the best foundation for a healthy nation is an enlightened citizenry which cooperates with the men of science who minister to people in pain and sickness. The men who dedicate their lives to guarding and improving the health of our people need and deserve help from those who serve; and

WHEREAS, the National Chiropractic Association and the South Dakota State Chiropractic Association are sponsoring National Correct Posture Week from May 1 to 7, endeavoring to educate the public to the value of proper posture and to develop a national consciousness on this important health problem. Proper posture, especially when developed in young people, is one of the greatest contributing factors to good health, physical endurance, working efficiency and good appearance;

NOW, THEREFORE, I, Sigurd Anderson, Governor of the State of South Dakota, do hereby proclaim May 1-7 as

SOUTH DAKOTA CORRECT POSTURE WEEK
